

## KC Robotics Team Rules - 2018-2019

Everyone is required to follow these rules while involved with robot team activities. These rules are in place for the first most caution of SAFETY, then for CLEANLINESS and RESPECT.

- School dress code and rules will be followed.
- Sign in/out of the robot room when you start/end your team activities.
- No open toed shoes (i.e. Flip flops, sandals, etc.) when working on a robot.
- Safety glasses must be worn at all times when working on any piece or parts of a robot when there is a risk of possible eye injury.
- No loose or hanging clothing when working with power tools.
- All areas will be cleaned at the end of each meeting.
- All items will be put in back in place at the end of each meeting.
- If you have long hair, your hair will need to be pulled back and up out of reach of robot parts, while working on a robot.
- No use a power tool before being trained on the safe use that tool.
- If something is broken, fix it or tell a mentor.
- Pick up after yourself by not leaving items behind. This includes trash, food and drinks.
- No student is allowed to be in the robot team room without a mentor being present.
- Stay in the robot room at all times except:
  - a. Trip to bathroom
  - b. If work activities are outside the room
- Be respectful of one another.
- Follow the instructions of your mentors, especially concerning safety items.
- One male and one female student may not be alone together.
- Disciplinary action will be taken if rules are broken.
